

REV. HALE ASSAILS CITY CONDITIONS

LOAFING AND AMUSEMENT PLACES DENOUNCED.

CHURCH MUST GIVE PROPER ENVIRONMENT

Baptist Pastor Closes Sermon With Hope for Some Kind of Community Building.

Some center shots at local conditions were fired last night by the Rev. L. M. Hale of the First Baptist church in the first of his community interest sermons. "The Environment Maryville Affords Her Young Men" was his subject for the first of the series, which will be given the last Sunday night of every month.

Loafing places, un-Christian schools and teachers, dance halls, Sunday base ball, picture shows and Godless homes were among the things which the preacher denounced in scathing terms. At the close of his sermon, Mr. Hale pointed out the need that Maryville provide something better, a place where the young men and women could meet under wholesome conditions.

"Henry Drummond, the greatest scientist of his age, said that the two factors of life are heredity and environment. Heredity cannot be changed, but the environment can be changed. Environment determines the outcome of everything in this world. If that is true, as Christian men and women it behooves us to think well about what we call environment.

"If we are interested in young men as we should be, we will be doubly interested in their environment. When dealing with heredity it is something that even science cannot solve, but much can be done in the way of changing environment that will make for better men and better women.

On Sunday Base Ball Games. "Is it wrong to go to base ball games on Sunday?" Jehovah said, "Remember the Sabbath to keep it holy." There is no mighty principle involved in going to a Sunday base ball game, but there is a mighty principle involved when it makes a man break the commandment to observe the Sabbath and keep it holy. It is making man lose sight of that thing which would make him a better man.

"Again, I ask what is the environment in our own city? The city tries to give pure water to drink and pure air to breathe. But I ask you today just as you know Maryville, what does she do toward making moral, truthful, honorable young men? I sometimes wonder what the young men are getting from their environment.

"I think it a disgrace that the dance halls are permitted to run here. Every Saturday night you can see young men and young women piling into the dance halls, and they do not come out until the wee sma' hours.

"Taking in other places of amusement, I want to call your attention to the loafing joints in Maryville. I tremble for the young men who frequent the average loafing joint of this town. I find these places wide open on Sunday with our young men associating with Godless men."

Mr. Hale said that the greatest fault in environment was in the home. That we should begin at home first and then go after the other places. That there are homes that defy God, and that under such influences that it is no wonder there are young men and young women who do not fear God.

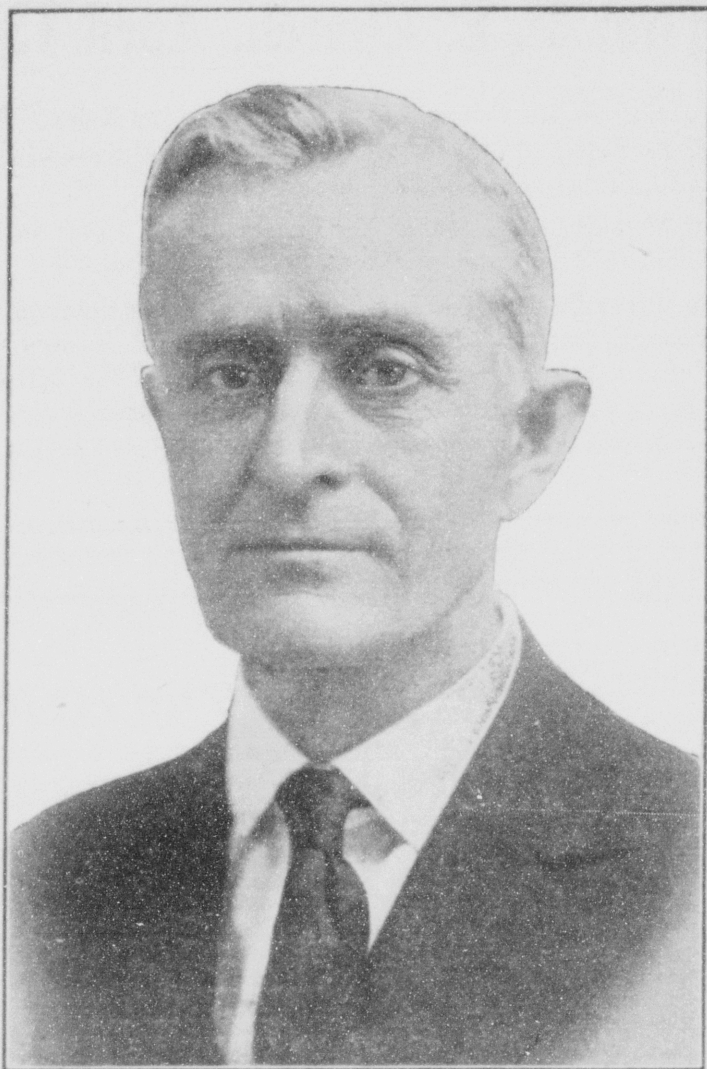

Must Demand Christian Schools.

In speaking about the Christian influence in the schools, Mr. Hale cited as an example the parochial schools of the Catholic churches. The Catholics send their children to these schools primarily to keep them under the influence of their religion. Again, environment plays its part. When the Protestant Christians open their eyes they will demand Christian schools for their children. Continuing, he said:

"Some of you people may think I am a crank on this subject. I have heard

TO ADD CORN CONTEST

ONE OF NEW FEATURES OF CORN SHOW NEXT FALL.

Large Cash Prizes Will Be Offered by Agricultural and Domestic Science Association.

A farmers' and corn breeders' contest is one of the added features of the Nodaway County Agricultural and Domestic Science association, which meets in Maryville in connection with the Nodaway county teachers' meeting next fall. The date for the meeting has not been set, but will probably be in October. The adjoining county teachers' associations will be invited to meet here at this time again.

The farmers' and corn breeders' contest will be opened to everyone, and will be on corn grown during 1916. There will be not more than one entry of the same variety in each class by any one, and separate exhibits must be provided for in each class.

The premiums for 100 ears, any variety, are \$50 first prize; \$20, \$15 and \$5. For ten ears Reid's Yellow Dent the premiums are \$10, \$7, \$5 and \$3. For ten ears of Boone County white corn, the premiums are \$10, \$7, \$5 and \$3. For ten ears of any other variety of corn, the premiums are \$5, \$2, \$2 and \$1.

All corn entered becomes the property of the association to be sold, to the highest bidder, unless retained by the exhibitor at the time of making entry by paying 5 per cent of the amount offered in premiums in the class in which the corn is entered; provided, however, that corn winning prizes shall be retained by exhibitor only by paying an additional amount sufficient to make the total paid for retaining the sample equal to one-half of the prize won. This does not include the acre-yield contest.

DAVE FERRIS IN EARNEST.

Offers \$20 for Convictions of "Wet Town" Bootleggers.

Dave Ferris evidently means what he said at the pre-election banquet about wanting to keep men out of the clutches of liquor. In an advertisement in another part of the paper today, he says that he is willing to pay \$20 a piece for convictions of those furnishing liquor to men barred from the saloons.

GORE WRITES BAPTISTS

SECRETARY OF MISSION BOARD REPORTS MEETING.

People Breaking Camp and Beginning to March Forward—Jubilee at Turkio in September.

The following letter has been received for publication from James P. Gore of Rock Port, secretary of the board of missions of the northwest Missouri board of missions. He says that the Baptists of this section of the state are breaking camp and beginning to march forward.

"To Northwest Baptists: The board of missions of the Northwest Missouri Baptist association, comprising Atchison, Nodaway, Holt and part of Andrew, met at Forest City one day last week. Delegates from seven of our women's societies met with the board and had an inspiring meeting. Twenty-five visitors sat down to a wonderful dinner, prepared by the ladies of the Forest City church.

"The reports from our twenty churches were highly encouraging. Dr. Kirkland, our superintendent of missions, is a live wire. He has held meetings with eight churches during the winter. He has located a number of pastors. Now he is planning for a special issue of the Word and Way, an issue full of pictures and news from northwest Missouri. This summer he will co-operate with the churches in a campaign, during which every church in the association will be visited by a strong team of laymen and preachers. The board, besides supporting Dr. Kirkland for full time, is helping a number of weak churches in supporting pastors.

"The churches are coming up to the support of the board financially in a way that is inspiring. In a little over six months the churches have contributed \$100 more than they did in twelve months last year. Still, it will take \$800 to put us out of debt at the association, which meets at Turkio, September 5, 6 and 7. This is our fiftieth anniversary and we are planning to make it a jubilee, a great meeting.

"Many of our churches have given already more than their apportionment for this year; to make up the \$800 the others will try to meet their apportionments, and most of them will do it. We are determined to meet in our jubilee association without debt. We are undertaking a greater work than ever before; yet the price of an automobile, or three Fords, will run the board handsomely for twelve months."

At St. Joseph Market Saturday. Nodaway county was represented by the following patrons on the St. Joseph market Saturday: G. Hullman, Sheley & Lowrey, Nick Thull and Sherlock & Fogan.

DAWSON ANNOUNCES

FORMER PROSECUTING ATTORNEY OUT FOR JUDGE.

AT DEMOCRATIC PRIMARY

Maryville Attorney Has Distinguished Record—Is Son of Famous Jurist.

John M. Dawson, chairman of the county Democratic committee and prosecuting attorney of Nodaway county for three terms, announced himself this morning as a candidate for circuit judge of this judicial circuit. He will contest in the Democratic primary August 1, for the nomination of the Democratic party.

He is one of the strong, forceful, logical and convincing advocates of the Nodaway county bar, a man who is forceful in his elucidation of the law to the court, and strong in his impressiveness and persuasiveness to juries.

Mr. Dawson is a son of the late Judge Lafe Dawson. He was born in Lincoln township in Nodaway county in 1863 and has lived in this county ever since. Lafayette Dawson was for many years a conspicuous character in Nodaway county as an attorney, a judge and a politician. He was appointed judge of the district court in Alaska in 1886.

John Dawson has been a lawyer for twenty years. For the past six years he has been the senior member of the well known law firm of Cook, Cummins & Dawson of this city. He has acquired and enjoyed an extensive practice, extending throughout all the counties of northwest Missouri, where he is recognized as one of the leading lawyers of the state.

His thorough knowledge of the law, his sense of equal justice, together with his courteous and judicial temperament, splendidly equip him for circuit judge. His many friends throughout the circuit will be pleased to learn that Mr. Dawson has consented to become a candidate.

Judge W. C. Ellison, the present incumbent of the bench, announced his candidacy last Monday.

FOURTH HOLT CO. SCHOOL

PRESIDENT RICHARDSON SPOKE AT EACH DEDICATION.

All of New Buildings Finished During Last Year—Other Faculty Members Invited.

The fifth district of Missouri continues to use the president and faculty of the State Normal school here for their public speaking dates. This is a form of service which is not taken into account frequently in a survey of the worth of the school to this territory.

President Richardson returned Saturday evening from Mound City, where he had been Friday and Saturday. On Friday he spoke at the dedication of the new consolidated high school about eight miles north of Mound City. This makes the fourth dedication exercises of new school buildings which he has attended in Holt county during the last year.

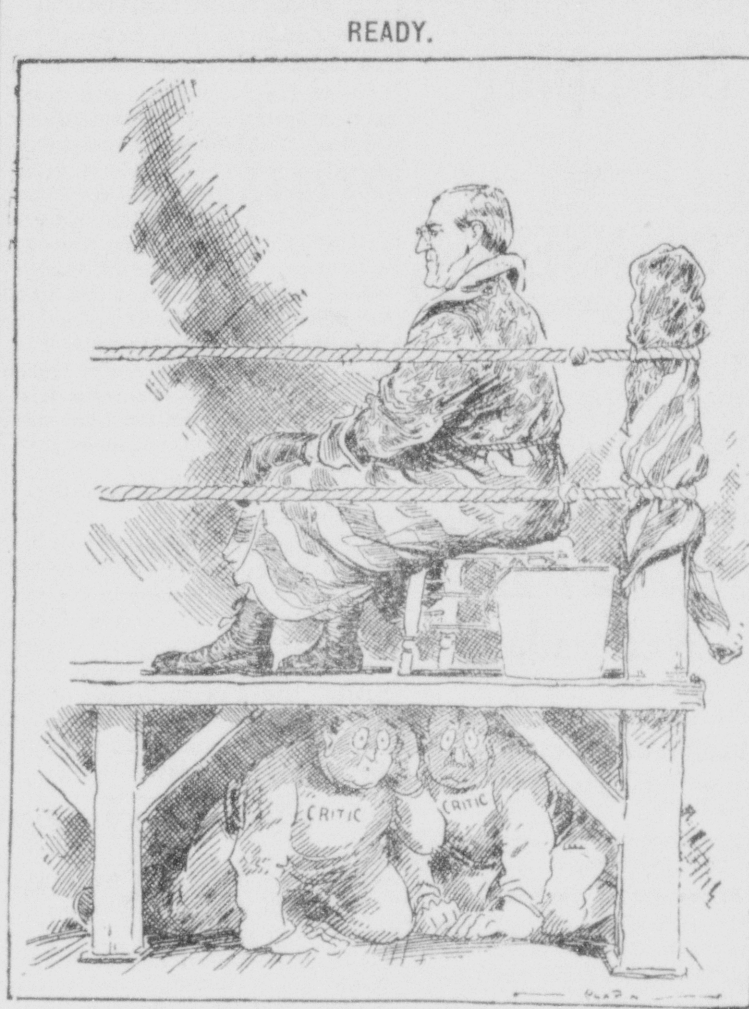

This high school building was donated to the district by private subscription after bonds for the building failed because of opposition to the project. On Saturday he attended the meeting of the teachers and school board members of Holt county in Mound City.

Dean G. H. Colbert returned Saturday evening from Marysville, where he attended the school board convention of DeKalb county on Saturday.

Prof. H. B. Schuler, director of public school music at the State Normal school, will return tonight from Lincoln, Neb., where he has been the past week attending the meetings of the national supervisors of music.

"ONE-TO-WIN-ONE"

SLOGAN OF LENTEN PERSONAL WORK CAMPAIGN.

AT M. E. CHURCH, SOUTH

Unique Service Last Night by Epworth League—Pastor Appoints Teams and Leaders.

The "One to Win One" phase of the "Go Forward" campaign of the Buchanan Street Methodist church was definitely begun yesterday when the names of the leaders and their teams were made public. The names of those working under the nine lieutenants are those who signed "personal worker covenant" cards.

The goal of the church is fifty new members to be received into the church Easter Sunday. Special effort will be made for the unsaved, but those attending the church who hold membership elsewhere will be solicited to transfer their membership. A reviving of the church membership by the work is also expected by the pastor, the Rev. R. C. Holliday.

During the four weeks until Easter, the mid-week prayer meeting service will be given over to discussion of the work among the workers. The meeting next Wednesday night will be held at 7 o'clock, so that those who desire may attend the concert of the William Jewell College Glee club, which does not begin at the Baptist church until 8:15.

The nine leaders will meet with the pastor tomorrow night at 7 o'clock for a short meeting preparatory to the service Wednesday. The names of the leaders with the group over which they have been placed for the sake of securing systematic work, follow:

Personal Workers' Teams.
I. B. Williams, leader; Mabel Cook, W. H. Burr, Frank Stone, A. V. Murphy, Verna Aley, Gene Aley and Ethel Hasty.

SEEKS TO END WAR

GREAT ENTENTE COUNCIL BEGINS MEETINGS TODAY.

7 NATIONS REPRESENTED

Five British Merchantmen Sunk by Submarines—Naval Battle Sinks Destroyers Near Kiel.

Special to The Democrat-Forum.
Paris, March 27.—Vast plans by which the Entente hopes to end the war before the end of the present year being made by the Grand Allied Council of War which began today. The first session opened this morning with representatives of seven nations being present.

The chief aim of the council is believed to be to inaugurate a general offensive against the Germans. The Allies are in an effort to deliver the finishing blow. England is reported to have agreed to furnish money to any allied nation which is likely to lack funds for the general offensive.

Berlin Admits Sinking.
Berlin, March 27.—A German torpedo boat destroyer was sunk in a battle with squadron of British destroyers in the North Sea following a British air attack on the Schleswig-Holstein coast. It is stated the Allies' air raid was unsuccessful and only two armed fishing outposts being destroyed.

Five Merchantmen Torpedoed.
London, March 27.—Five allied merchantmen have been sunk by submarines in the past twenty-four hours. They were the British steamers Cerne, Khartoum, Saint Cecelia and Fenay Bridge and the French steamer Hebe. The Khartoum crew is reported lost.

Air Raid on Saloniki.
Saloniki, March 27.—In retaliation of the Allied attacks on the Greek frontier the German airmen bombarded Saloniki, killing a number of Greek soldiers and civilians. The damage to the property was small.

Continues Artillery Duel.
Paris, March 27.—A continuous artillery duel is raging on the Douaumont and Vaux front according to the French war office.

Official German War Report.
Berlin, March 27.—Unofficial reports of heavy Russian offensives on the eastern front continue. The British are also attacking in force along the western front.

NO MORE NOTES IF GERMANY IS GUILTY

WILSON WILL DELIVER PROPOSAL FOR DIPLOMATIC BREAK.

NO OFFICIAL PROOF YET OF SUBMARINE'S PART

American Embassy at London Says All U. S. Citizens on Sussex Are Accounted For.

Special to The Democrat-Forum.
Washington, March 27.—Germany will be held responsible if it is proved that the Sussex and Englishman were torpedoed and did not strike floating mines. This was made plain at the state department, where it was said that no official proof that a submarine was responsible had been received. It was declared that the Paris report that a piece of a torpedo was found in the hull of the Sussex was not confirmed.

The president is known to be much concerned over the situation, and if it is shown that a submarine is responsible, it is most unlikely that there will be any further exchange of diplomatic notes. Instead it is probable that President Wilson will present his facts to congress and tell them that in his opinion the time for action has come.

French Transport Sunk.
Berlin, March 27.—An Athens dispatch says that a French transport was sunk by a mine off Saloniki and only seventy-three troops were saved.

War Fire in Boston Harbor.
Boston, March 27.—Fire, believed to have been caused by the explosion of bombs in the hold of the British steamer City of Naples, did \$200,000 damage. The ship was unloading its cargo.

All Americans Accounted For.
London, March 27.—The American embassy reports that all the Americans who were on board the Sussex have been accounted for. Mrs. Fennell, who was reported dead, is safe.

WON'T EMBARRASS WILSON

G. O. P. Senators to Leave Mexican Situation Alone.

General Funston Says Villa Escaped Through Carranzistas—Striking at Bandits' Supplies.

Special to The Democrat-Forum.
Washington, March 27.—At the conference of the Republican senators today it was agreed that nothing will be done by the minority party to embarrass the president on the Mexican situation so long as he believes that a sufficient force is available for Mexican duty.

To Cut Off Villa's Supplies.
El Paso, March 27.—In an effort to cut off Villa's chief source of supplies, troops have been sent to Fabens, thirty miles south of El Paso. This is in the heart of the district through which provisions and ammunition are smuggled across the border.

Close on Villa's Heels.
San Antonio, March 27.—The American troops are pressing close upon the heels of Villa and are two hundred and forty miles south of the border. General Funston declared this morning he would not be surprised to hear that the Americans have been in contact with the Villistas.

San Antonio, March 27.—General Funston said today that the report that Villa broke through the American line is untrue. He asserted that the bandits escaped through the Carranza forces in a manner which indicated that the constitutional forces are not co-operating as they should.

Unique Service Last Night.

The regular Fourth Sunday service
last night, which was in charge of the
Epworth League, was arranged to di-
rect the attention of the audience to-
ward the "One to Win One" campaign.
A unique program, which is being
much commented on today, was given.

L. B. Williams was leader. After a
musical and literary program, he spoke
upon "Jesus, the Light of the World."
Beginning in his visualized talk with
the condition of the world in heathen
darkness before Christ, he asked that
all the lights be turned out to typify
this. After about ten minutes in total
darkness, speaking up the blank and
hazy state of the human mind and soul,
he led up to the coming of Christ,
which was symbolized by the lighting
of one large candle.

The spread of the gospel was de-
scribed by Mr. Williams while twelve
smaller candles representing the dis-
ciples and many smaller ones in dif-
ferent parts of the church the seventy
who were sent out by Christ were
lighted. The Epworth League of the
Buchanan Street Methodist church will
prepare such a program the last Sun-
day night in each month.

Auditorium First M. E. Church, April 13-14, 1915

THREE CONCERTS, Thursday Night, Friday Afternoon and Friday Night. Season Tickets to all
three programs \$2.50, pupils in any school \$2.00. Single admission, Thursday Night \$1.00
Friday, Matinee \$1.50, Friday Night \$1.50.

TICKET Sale begins next Monday, April 3rd, at The Conservatory. Mail orders will be filled in
order of receipt if sent to P. O. Landon, Maryville, Missouri.

THERE is no reason why Maryville people should not enjoy a Music Festival every spring, unless
it is that they will not support it. It is as good as is heard in any City in the United
States and the price is very moderate, considering the size of the attraction. Buy season
tickets and enjoy every program and at the same time boost for a Greater Maryville.
Season Tickets are transferable. On Sale Next Monday.

FOLK MAY ANNOUNCE SOON

Former Governor is in St. Louis Study-
ing Conditions at First Hand
in Missouri.

Special to The Democrat-Forum.
St. Louis, March 27.—Ex-Governor
Joseph W. Folk probably will an-
nounce his candidacy for the Demo-
cratic nomination for governor within
the next twenty-four hours. He ar-
rived in St. Louis tonight to discuss
the gubernatorial situation with
friends. He was met at the depot by
Ewing Mitchell of Springfield, John C.
Roberts, owner of the St. Louis Star;
Assistant United States Treasurer W.
D. Vandiver, who Saturday withdrew
from the race for governor, and Lon
Sanders of St. Louis.

"On February 8 I made a statement
in the Republic if an emergency ex-
isted I might consider being a candi-
date for governor," said Folk. "My
friends assure me this condition now
exists, and I came here to find out first
handed the real situation. I will not
make a formal statement tonight, but
will make a definite announcement
one way or the other during the next
twenty-four hours."

MRS. LARK MENDENHALL DIES

Funeral Services Were Held This Af-
ternoon at Christian Church
at Barnard.

Mrs. Lark Mendenhall died at her
home in Barnard yesterday morning at
7:30 o'clock. Paralysis was the cause
of her death.

Mrs. Mendenhall was born in Wis-
consin and came to Nodaway county
with her parents thirty-six years ago,
where she has since made her home.
She is survived by her husband and
a number of relatives.

The funeral services were held to-
day at 1 o'clock, at the Christian
church. The Rev. Mr. Chapman of Ro-
sendale conducted the services. Burial
was in the Barnard cemetery.

The relatives from out-of-town who
attended the funeral were: Mrs.
Blanche Johnson and Mrs. Clyde Mur-
dock of Parnell, Mr. and Mrs. Joe
Brown, Bolckow, and Gerald and Otis
Mendenhall of Graham.

He Stayed a Half Day.

Some fellows just must live in the
city. Harold "Dick" Levasy went last
week to Conception to work in the
Wade barber shop there. Protzman
Brothers announced Saturday that Mr.
Levasy, after a half day's absence has
returned to his former employ in their
shop.

REV. HALE ASSAILS

(Continued from page 1.) many things since I made the statement two weeks ago today that the school board should not employ an instructor that used profane language and told smutty stories to the young men under his care. I repeat this statement, and I think that if the school board here or anywhere employs such a man the Christian men and women should raise up against such a thing.

"Although I have not been to a picture show but once in two years, I am told by those whom I have every reason to believe reliable judges, that some of the pictures shown are not fit for the young to see. I am convinced that we must adopt a stricter censorship on this great element in modern life.

"Many things are perfectly legitimate under certain influences and the loafing place is all right under a certain influence, but the one that goes to the unmaking of young men and young women should not be tolerated.

"I do believe our smokeshops and other stores should not run wide open on Sunday. They are as unholy as it is possible for them to be, but we must substitute something better when we close them.

"I hope the time will soon come when we will make a place for our young men to loaf in, where there will be the influence and environment that go to make better men. A place where there will be no profanity and smutty stories.

"Won't it be a proud day when we can have such a place?"

3 BISHOPS AT CONVENTION

Knights of Columbus Preparing for Big Meeting in Maryville, May 9 and 10—12 Candidates Initiated. Archbishop Glennon of St. Louis, Bishop Lillis of Kansas City and Bishop Burke of St. Joseph will probably be the guests of Maryville during the state convention of the Knights of Columbus in this city, May 9 and 10. It is not known definitely whether Archbishop Glennon will be able to come, but Bishop Lillis and Bishop Burke have accepted the invitation and will be here.

The committee on arrangements from the local Knights of Columbus is composed of Conrad Yehle, Ed Peritor, J. Ed Costello, Burt M. Rowley, James B. Cummins, William Doffing and Nick Sturm. It is expected that there will be 500 visitors here for the convention.

At the meeting of the Knights of Columbus yesterday twelve candidates were initiated in the first degree. The second and third degrees will be given during the first day of the state convention. There will be a class of about 70 from St. Joseph and Shenandoah and a few other places.

Springfield People Report on Vap-O-Rub—"Outside" Treatment

Results of Test Made Last Winter by Springfield People Now Announced.

In the South, everyone uses Vick's Vap-O-Rub Salve, the external treatment for all forms of cold troubles, but it was introduced in Springfield, Mo., for the first time, last winter. Naturally, the local druggists were skeptical, they "had to be shown" that Vick's Vap-O-Rub really would relieve most cases of croup in fifteen minutes, and colds over night. So arrangements were made for each druggist to present complimentary jars of Vap-O-Rub to a few of his customers, on condition that they give it a thorough trial. Among the customers of the J. W. Crank Drug Company were Mr. John Turner, 1501 N. Campbell St., Mrs. Bert Hume, 1926 Howard St., and Mrs. Hattie Gibbons, 822 W. Division St. Their reports are as follows—

Mr. Turner reports—"I and my family have used Vap-O-Rub for catarrh, colds in the head, sore throat, and also in a severe case of pneumonia I suffered. We found this to be excellent and our family doctor recommended its use along with his medicine."

Mrs. Hume writes—"We have used Vick's Vap-O-Rub Salve for colds in the chest and head and find it fine. I just rubbed it over the throat and chest and in a minute it seemed as if the children breathed easier."

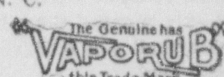

Mrs. Gibbons says she used Vick's Vap-O-Rub for her sister, who had such a cold she could not speak above a whisper for a week. "We just rubbed Vap-O-Rub over her throat and chest

and then covered with a warm flannel cloth, and after two nights' applications she was all right."

Druggist A. G. Fisher presented Mr. O. D. Strain, 434 Cherry St., with a jar of Vap-O-Rub and Mr. Strain reports—"I find your Vap-O-Rub Salve the best I have ever used for catarrhal trouble. Would not do without it."

W. A. Reed & Son, Druggists, presented a jar to Mrs. Susan R. Gingrich, 1418 Summit Ave., who writes—"My little grandson coughed so much at night that his mother would have to be up with him for about two hours at a time. Last night they were here, and as soon as we retired he commenced coughing. His mother rubbed Vap-O-Rub on his throat and chest. He coughed a few times, but after the vapors took effect he never coughed any more and slept well all night. I can recommend it very highly, especially where there are small children."

We believe you will find Vick's Vap-O-Rub Salve superior to internal medicines for all forms of croup or cold troubles, from head colds, catarrh or asthmatic troubles, down to sore throat, bronchitis, deep chest colds, or incipient pneumonia. It is particularly recommended to mothers, as it is entirely external and does not injure the delicate stomachs of children, as do internal medicines. Vick's can be had at all first class drug stores in three sizes, 25c, 50c or \$1.00—or we will gladly send a sample free on request. Vick Chemical Co., Greensboro, N. C.

Wire Will Cost You More in the Future.

On account of the general rise in manufacturing materials, dealers will in the future be forced to sell wire at a considerably higher price.

By buying on a low market in December we obtained our wire and other material in this line at a price which is now considerably under the market quotation. It is a correct statement when we say that we are now selling wire at a lower price than the actual wholesale quotations.

Shortly we will be forced to raise our prices on wire material and those are intending to use it in fencing or other work must buy now if they want unusually low quotations for this season.

Note—On and after April 1st, we will be compelled to advance prices on all American Steel and Wire products

This information is for the benefit of wire buyers and is absolutely correct in every fact.

POWER OF MOTHER LOVE

Central Theme of "The Ransom," With Julia Dean Leading, at Empire Theater Tonight.

The story of "The Ransom," which is coming to the Empire theater tonight, as the next release on the Equitable program, illustrates the power of mother love when devoted to thwarting the efforts of a man to wreck her daughter's life in the same way in which he wrecked her own. Julia Dean, the star of the piece, plays the part of the mother.

It is a tale of theatrical life, in which love, intrigue, vice and crime play prominent parts, all the threads of the thrilling narrative leading up to the price the mother pays as a ransom for her daughter's safety and happiness. That the sacrifice was not unavailing, and that the daughter escaped the perils which were gradually encompassing her, makes the conclusion as happy as it is logical, and the ending of the picture leaves a thrill which is a mixture of joy and sorrow—joy that the dangers which threatened the lovers have been brushed aside, and sorrow that the mother should have made the great sacrifice without the daughter knowing the relationship which existed between herself and the woman to whom she owed her rescue from the machinations of those who sought to encompass her ruin.

Reward.
